## A Message from the Principal

Dear Parents/caregivers and community members,

Welcome back to the school to all families who have shared our journey in the past and welcome to all our new students and families who have joined us to begin the 2017 school year. It was wonderful to see all our students looking so smart in their uniforms. Unfortunately, on Wednesday, some young people forgot to bring their broad brimmed hat back to school. We have given them a couple of days before applying our "no hat no play" rule. A new design of school hat will be available from the Clothing shop soon so, if you can wait a short time a broad brimmed bucket hat with a school log and faction colours will be available.

Due to a number of new enrolments we have restructured the classes at the upper end of the school so that these classes are of a manageable size. Our new building names caused a minimal concern to parents. As we get to know the new numbering system it should be evident that the change was worthwhile. The blocks have been named after local birds.

Welcome to our new staff members: Mrs Klein, Mrs Croxon, Miss Iriks, Mr Critigno, Mrs Pracey, Mrs Mollentze and Mrs McLachlan who have been appointed to our school. We look forward to their contribution to the positive environment of our school.

Class List : Lunches will be provided by the Grange Deli starting next week. Please order lunches from the deli before school and they will be delivered to the school just before our lunch time. If you are intending to purchase morning tea items please do so before school so that they can be available to the children when required. A Lunch Order Menu is on the back of this newsletter.

**Newsletters**  
We encourage you to provide us with your email address in order for us to email newsletters to parents and community members. A hard copy can be made available, however we would prefer the email system for ease of distribution and as a means of keeping down publishing costs.

**Facebook**  
Please Like our Facebook page as we often put information on there of interest to the school community.

**Voluntary Contributions:**  
Please consider paying your voluntary contributions as soon as possible. The school provides students with a Spelling text and online access materials valued at approximately \$16 as well as their exercise and mathematics grid books. So please support your school as soon as possible. Eftpos facilities are now available.

**Before School Procedures**  
The Breakfast Club is open 5 days per week for children and parent/carers.

All children who are on the school grounds before 8:25 am are expected to wait in the undercover area under staff supervision until they are dismissed. Only children in Kindergarten and Pre-Primary may sit outside their classroom with their parents. Parents may organise with Pre-primary teachers for an older sibling to collect them from the classroom of an afternoon if they wish.

Gail Sampson  
Principal

**Swimming**

It is that time of the year again when we have our swimming lessons. Swimming lessons are for ten days beginning on the 13th March and ending on the 24th March.

**Swimming money is now due - Friday 10th is the last day.**

Don't forget to drop your envelope with the correct money and form into the slot at the office. We have Eftpos available.

Mrs Kara Larsen

**Attendance**

Regular attendance at school is fundamental to your child's learning. Consistent attendance and participation are essential for your child's social and academic learning. As parents or legal guardians of an enrolled child, you are responsible under the *School Education Act 1999* to ensure the attendance of your child at school every day. It is important to assist your child's achievement and learning by making regular school attendance a priority in your child's life. The Department of Education's Student Attendance policy requires parents/guardians to provide an acceptable explanation to the school principal for any absence of their children.

Principals must authorise all absences. The Act defines health, religious and cultural observances as reasonable cause for a school absence and the absence would be recorded as 'authorised' by the principal

**Library News**

Don't forget to bring your library bag to borrow books. Please remember that plastic shopping bags are **not** suitable. Calico shopping bags are. Library bags are available for purchase from the office for \$3.

Our school is pleased to have a Chaplain in the school again this year. Mrs

**Chaplain**

Marlize Pretorius role is to provide support and care for students and their families. As a part of this role she will work closely with teachers around the school, in the classrooms and individually with the students. Occasionally, students may ask for extra support.

While Chaplains represent the local Christian Community, their role in the school is non-religious. she will respect the range of religious views in the school and will not influence the children's beliefs.

If you have any strong aversion to your child seeing the Chaplain for an individual appointment, please complete the slip below and return it to the office as soon as possible.

**School Chaplain 2017**

I **do not** wish my child to see the Chaplain.
